WELCOME

We welcome the following new M.S. graduate students who officially joined us on June 1st:

Leann McGinnis, Madison, SD will work with Hans Stein studying swine nutrition. She received her B.S. from SDSU in April.

Shelly Widmer, New Prague, MN another Spring '05 SDSU grad will also work with Hans Stein studying swine nutrition.

Amanda (Rigdon) Everts, Dunkerton, IA native, will be studying meat science with Duane Wulf. She graduated with a B.S. in Animal Science in April and was married on

May 14th to **Andrew Everts**, Parkersburg, IA. Andrew will also be studying with Duane Wulf in the Meat Science area and received his B.S. in April.

Dr. John Gaughan of the University of Queensland will be spending a few months of his sabbatical at SDSU working with Simone Holt on a project at the Opportunity Farm near Lennox, SD. His office will be in ASC 213.

Thought for the Week:

Find something that you enjoy doing, and then find someone to pay you to do it.
